REQUEST FOR COMMENTS

Possible Amendments to Rules Governing Medications, Medication Testing and Veterinary Practices Relating to Horse Racing, *Minnesota Rules, 7869-7897*

Revisor's ID Number: R-4498

Subject of Rules. The Minnesota Racing Commission (MRC) requests comments on possible amendments to the rules governing medications, medication testing and veterinary practices relating to horse racing, Minnesota Rules, Chapters 7869-7897. Each year the MRC reviews its rules in cooperation with interested industry participants in order to modify, update and clarify the rules. New rules on medications, medication violations, medical testing or veterinary practices may be proposed. We may also seek to repeal obsolete rules. The public is welcomed and encouraged to comment and make proposals for this year's amendments.

Persons Affected. Any amendments to the rules would likely affect participants in horseracing in Minnesota, including horse owners, trainers, drivers, veterinarians, stewards, judges, association staff, racing officials, and the betting public.

Statutory Authority. *Minnesota Statutes*, sections 240.03 and 240.23 authorize the Racing Commission to amend rules which affect the integrity of racing or the public health, welfare, or safety.

Public Comment. Interested persons or groups may submit proposals, comments or information on the possible rules in writing or orally until further notice is published in the *State Register* that the Commission intends to adopt or to withdraw the rules. The Commission does not contemplate appointing an advisory committee to comment on the possible rules. Interested persons may also comment via the Office of Administrative Hearings Rulemaking e-Comments Website at <https://minnesotaoah.granicusideas.com/>.

Rules Drafts. The Commission has not yet prepared a draft of the possible rule amendments and does not anticipate a draft will be prepared prior to publication of the proposed rules.
